

Valet Parking System Technology

Automated Request Service for Any Business

www.yayvalet.com

1-888-YAY-VALET (929-8253)

email: inquiries@yayvalet.com

How yayvalet Works:

1 Your guest completes the yayvalet request online at www.yayvalet.com or via the automated yayvalet request phone line.

Your attendant receives an immediate yayvalet request online or through our automated system, expediting instructions, leading to better customer satisfaction.

Request Types:

Vehicle • Luggage • Shipping • Transportation • Reserved Parking

2 You receive your customer's yayvalet request in one of the following ways:

Thermal Printer

Cell Phone or Pager

Email

Immediate clear and concise yayvalet vehicle requests are printed automatically and delivered directly to your valet attendant's booth and valet ticket stub rack.

OR A text message is received on a cell phone or pager.

3 At the specified time and place, your guest arrives and his/her vehicle is ready.

Here's what yayvalet user's are saying about yayvalet:

"It's easy, I just call the 800 number, put in the car # and I'm done. The car is there by the time I get down to the entrance." - Sterling E.

"...my car is ready in the morning and that is impressive." -Steven N.

"I use it for its simplicity and when I am in a slight rush. I like the fact that each time I have used it my car has been waiting for me." - Mike S.

yayvalet is FAST!

www.yayvalet.com

yayvalet saves you time by giving you a clear written order that you can read and act on in seconds rather than spending time answering phones and listening to voicemail messages.

yayvalet gets the requests to you faster than other services, allowing you more time to deliver.

yayvalet lets you focus on your orders and increase the efficiency of your service.

Order Yayvalet SMS Text Message printers at sales@yayvalet.com or 1 888 yayvalet (929 8253)

How it works?

- 1- Sign up your business today, and we will provide you with: 1 text message printer, 1,000 business cards, and 6 (4" x 8") signs with your business logo. A dedicated 10 digit number for each text message printer.
- 2- Customer sends a text message to your business from their cell phone or on line at www.yayvalet.com/businessname.
- 3- Order is delivered in less than one minute and an auto reply is sent back to the customer confirming the order has been received.
